K-Tech Fall Festival and Car Show

Saturday, November 7th, 2026

3-8pm

The Reserve Spotlight

Thank you to The Reserve for the grant that provided a forklift for our FAHC warehouse. It helps our warehouse run so much more efficiently!

*Many thanks to K-Tech Equipment Company in Easley for helping us find the and deliver the forklift to our warehouse last month.

64% AVERAGE POVERTY IN OUR PICKENS COUNTY SCHOOLS (SOME ARE AT ALMOST **80%**)

2400 STUDENTS CONSIDERED HOMELESS IN PICKENS COUNTY

Hello, Feed a Hungry Child Donors and Volunteers,

FAHC is currently averaging 825 backpacks for students per week in our Pickens County Schools. We are so thankful for our supporters who make this food possible each week for these wonderful students.

K-Tech of Easley is hosting their Fall Festival and Car Show this Saturday, November 7th beginning at 3:00 pm. Come out for some fun family time!

FAHC will be providing more supplemental food in addition to the backpacks for the Thanksgiving and Christmas breaks this fall to the students we currently serve. Information for this is going out to all schools on how the food will be distributed. Volunteers will be needed to pack these boxes and distribute. Please reach out and let us know if you would like to help once the dates and times are set up.

Have a great day!

Bryan Hester and the Feed a Hungry Child Board

Packing Day

Velvet Drive Liberty Employees came to help us pack food for our Middle and High School Students. Thank you, Brad Spivey and the Velvet Drive Family!
